Dear Dr Laming,

Thank you for your letter of congratulation to Senator Hanson-Young commending her work in the Early Childhood Education and Care Sector. The Senator has asked me to respond on her behalf.

The Senator would like to thank you for your ongoing work in providing support for women and girls and the support you offer through AFGW both Nationally and Internationally.

It is vital that all children from all walks of life regardless of background have access to the best possible education early in life.

The Senator is passionate in working towards the best possible options for parents currently in the workforce or returning to work. The demands of juggling work and family impact the lives of most families in Australia so it is critical we all work towards the best possible solutions.

Thank you and the Senator looks forward to working with AFGW in the future.

Please do not hesitate to contact the Senator if you require any future assistance.

Kind regards,
